

# BE OUR CAPTIVE AUDIENCE!

Halifax Location Grand Opening  
Wednesday May 15, 2013

1747 Rosebank Avenue 9:00am-9:30am

Dear Honoured Guest,

Skedaddle Humane Wildlife Control has selected Halifax, Nova Scotia as the location for our first national franchise location and you are invited to celebrate with us. We are launching our spring-board Halifax expansion with a Ribbon-cutting ceremony and Press Conference. This will be hosted at the nest of our most recent Halifax customer. On hand to help us with the release of our new Halifax area service, will be our special guest; Hope Swinimer, founder of Hope For Wildlife. The Hope for Wildlife Society (HFW) is a wildlife rehabilitation and education organization based in Seaforth, Nova Scotia, Canada. We support the fine work that HFW does in assisting injured and orphaned wildlife.

Also on hand will be representatives of the Halifax Chamber of Commerce and Greater Halifax Partnership business community.

Skedaddle is a unique and innovative home service for urban wildlife nuisance problems, with a reputation for our effective and humane approach. Skedaddle currently services over 70 municipalities in Ontario, Nova Scotia and Quebec. The owners and operators of the new Skedaddle Halifax location will be long-time local residents Andrew Wheelock and Derek Martin.

Please join us rain or shine in the great outdoors at the home of Geoff & Joyce Goss at **1747 Rosebank Avenue**. The event begins at 9:00am sharp and concludes at 9:30am with the official Ribbon-cutting and press photos.

Hope to see you there.
