

OUR URBAN WILDLIFE FRIENDS

1. Ricky Raccoon has found a lost puppy and needs your help to take her to the SPCA.
2. Our friends at Humane Wildlife Control received many calls today - the first call is for my raccoon friends. Find the quickest route counter clockwise to help all my wildlife friends and return to the HWC office.

Did you know that wildlife are just that - they're wild! You should not treat them like pets. Leave them alone or call professionals to remove them from your house and prevent them from coming back. The best way to see wildlife is through your window!

Identify the animal tracks:
